

# A Note to Undocumented Students

You can still go to college in California even with the current political climate. Keep in mind:

- **In-state tuition eligibility has expanded**

You may qualify for lower tuition cost even if you didn't attend 3 years of high school in California. Check if you qualify with our In-State Tuition Tool: [immigrantsrising.org/qualifier](https://immigrantsrising.org/qualifier)

- **CA Dream Act is still in place**

Submit your application before March 2nd at [www.caldreamact.org](https://www.caldreamact.org).

- **Scholarships are always available**

Scholarships can help you cover the cost of attending college. Our scholarship resources are open to undocumented students regardless of immigration status: [immigrantsrising.org/scholarshiphelp](https://immigrantsrising.org/scholarshiphelp)

**Keep going. You are not alone.**
