

A Note to Undocumented Students

You can still go to college in California even with the current political climate. Keep in mind:

- **In-state tuition eligibility has expanded**

You may qualify for lower tuition cost even if you didn't attend 3 years of high school in California. Check if you qualify with our In-State Tuition Tool: immigrantsrising.org/istt

- **CA Dream Act is still in place**

Submit your application before March 2 at caldreamact.org.

- **Scholarships are always available**

Scholarships can help you cover the cost of attending college. Our scholarship resources are open to all students regardless of immigration status: immigrantsrising.org/scholarshiphelp

- **On-Campus support exists**

All California public colleges and universities have one or more individuals who are willing and able to support undocumented students: bit.ly/CAUndocMap

Keep going. You are not alone.
