

APPLY BETWEEN OCTOBER 1 TO DECEMBER 4, 2020 AT [CALSTATE.EDU/APPLY](https://calstate.edu/apply)

USING THIS GUIDE

This quick guide is intended to support undocumented transfer students applying to the CSUs for Fall 2021. Use this reference sheet alongside the [CSU Transfer Student Application Guide](#) to successfully apply to the CSUs for Fall 2021.

GETTING STARTED

Visit the **Cal State Apply** page (calstate.edu/apply). Select the term you are applying for (“**Fall 2021**”). First-time users will be asked to create an account. Remember your username and password. Once your account has been made, you will receive an email with your **Cal State Apply ID**. You’ll use this ID throughout the application process.

REMEMBER: You do not need to complete your online application all at once. You may log back in to change it at any time with your username and password. Your application can be completed online and submitted electronically once you have entered the required information.

Completing Your Profile

You will be asked to provide information to determine the eligible programs to which you can apply and generate questions in the application specific to you.

- **Level of degree you’re seeking:** Select “First Bachelor’s Degree”
- **Entry status:** As a transfer applicant, you have two options:
 - **If you are transferring with an Associate Degree for Transfer,** select “Transferring with an Associate Degree for Transfer (AA-T, AS-T) from a California Community College.” Indicate your community college and ADT program. You may enter up to two.
 - **If you are transferring from a CA community college or another college,** select “Transferring from a California community college or from another two-year or four-year institution.”

See chart below for how the number of your completed units affect your academic standing.

Number of semester/quarter units	Transferring as
Less than 60 semester units or 90 quarter units	Sophomore
60-89.5 semester units or 90-134.25 quarter units	Junior <i>(If you have attended only community colleges, even if you have 90 or more semester units, you will be a Junior)</i>
More than 89.5 semester units or 134.25 quarter units	Senior <i>(If you have attended a 4-year university and have more than 89.5 semester units, you may be classified as a Senior)</i>

Note that for Fall admission, most campuses require that you reach 60 semester or 90 quarter units by the end of the Spring semester. That means you usually **cannot count summer units for admission**.

- **Previous attendance:** If you have attended a CSU campus before and are returning to complete an earlier program, make that clear. Contact the campus to find out how to apply for re-admission.
- **U.S. Military status:** Indicate your current or anticipated U.S. Military status at the time of application.
- **Residency:** Indicate if you have or will need an F1 student or J1 exchange visa. For undocumented students including DACA recipients, enter “No” and choose what U.S. state they permanently reside in.

NOTE: In order to be officially coded as an AB540/AB2000/SB68 student and pay resident fees at the CSU, you must submit your [affidavit](#) and an official copy of your transcripts/attendance records to the Admissions offices at each of the universities where you applied. Check with each campus for their deadline.

Choosing Your Programs

You must select at least one program (the CSU's term for majors) to begin your application. You may add more programs/majors at any time before the submission deadline.

REMEMBER: Only open programs will be displayed. Not all programs are open for application every term. Visit [Application Dates and Deadlines](#) to find out which CSU campuses are accepting applications and which majors are open.

- **Selecting programs:** Click on the plus icon next to add programs/major. Add alternatives if desired.
- You may be asked to select an *alternate* choice for certain programs that are **impacted**. Impacted programs are majors that receive more applicants than available spaces. You will automatically be enrolled in this alternate program should your first choice become unavailable.
- The number of applications you intend to submit and their fees are listed on the following page after you click "Continue." Once all programs are chosen, click "**Continue To My Application.**"

REMEMBER: Verify that all the programs you wish to apply to are selected before continuing with your application. You may add or remove programs before the submission deadline.

MY APPLICATION DASHBOARD

After you have selected your programs/majors, you will be directed to **MY APPLICATION DASHBOARD**. Your dashboard gives you access and details to each part of the application you need to complete. The four sections you must submit are:

It's a good idea to get an unofficial transcript to use when filling out the application to ensure all information is accurate.

You may return to these questions at a later time.

- EOP also requires that you submit two recommendations from any individual who can comment on your potential to succeed in college. You will be asked to submit this by creating an EOP Recommendation Request.
- You can also choose not to apply to EOP by clicking "No."

4. Program Materials
