Quick Guide for Undocumented Transfer Students Applying to the CSU

Apply between the priority period of October 1 and November 30, 2023 at calstate.edu/apply*

Using This Guide

This quick guide is intended to support undocumented transfer students applying to the CSUs for Fall 2024. We recommend using this guide alongside the CSU Transfer Student Application Guide and Checklist, which contains more detailed information.

*Some CSU campuses may accept applications beyond the priority period. Check out the CSU Application Dates & Deadlines page to see which ones are open beyond this deadline.

Getting Started

Visit the Cal State Apply page (calstate.edu/apply). Select the term you are applying for (“Fall 2024”). First-time users will be asked to create an account. Remember your username and password. Once your account has been made, you will receive an email with your Cal State Apply ID. You will use this ID throughout the application process.

You do not need to complete your online application all at once. You may log back in to edit or complete your application at any time with your username and password. Your application can be completed online and submitted electronically once you have entered the required information.

NOTE: Similar to your CA community college, you must be officially coded as an AB 540 student in order to pay resident fees at the CSU. To be eligible for AB 540, you must meet certain attendance and degree requirements, as well as submit your affidavit and an official copy of your transcripts/attendance records to the Admissions offices at each of the universities where you applied. Check with each campus for their deadline. Undocumented students who qualify for AB 540 may be eligible for CSU application fee waivers and state financial aid through the CA Dream Act.

Completing Your Profile

You will be asked to provide information to determine the eligible programs to which you can apply and generate questions in the application specific to you.

- **Level of degree you're seeking:** Select “First Bachelor’s Degree”
- **Entry status:** As a transfer applicant, you have two options:
  - **If you are transferring with an Associate Degree for Transfer (ADT),** select “Transferring from a California Community College with an Associate Degree for Transfer (AA-T, AS-T).” Indicate your community college and ADT program. You may enter up to two.
  - **If you are transferring from a CA community college or another college,** select “Transferring from a community college or four-year institution.” Indicate how many college credits you’ll have earned by the time you transfer.
Number of semester/quarter units | Transferring as
---|---
Less than 60 semester units or 90 quarter units | Sophomore
60-89.5 semester units or 90-134.25 quarter units | Junior (If you have attended only community colleges, even if you have 90 or more semester units, you will be a Junior)
More than 89.5 semester units or 134.25 quarter units | Senior (If you have attended a 4-year university and have more than 89.5 semester units, you may be classified as a Senior)

Note that for Fall admission, most campuses require that you reach 60 semester or 90 quarter units by the end of the Spring semester. That means you usually cannot count summer units for admission.

- **Previous attendance:** If you have attended a CSU campus before and are returning to complete an earlier program, make that clear. Contact the campus to find out how to apply for readmission.
- **U.S. Military status:** Indicate your current or anticipated U.S. Military status at the time of application.
- **Residency:** Indicate if you have or will need an F1 student or J1 exchange visa (for international students). Undocumented students, including DACA recipients, should enter “No” and choose what U.S. state they permanently reside in.

If you qualify for [AB 540](https://www.csula.edu/admissions/ab540), make sure you choose California as your state of residency.

**Choosing Your Programs**

You must select at least one program (the CSU term for majors) to begin your application. You may add more programs/majors at any time before you submit the application.

Only open programs will be displayed. Not all programs are open for application every term. Visit [Application Dates and Deadlines](https://www.csula.edu/admissions) to find out which CSU campuses are accepting applications and which programs are open.

- **Selecting programs:** Click on the plus (+) icon next to add programs/major. Add alternatives if desired.
- You may be asked to select an alternate choice for certain programs that are impacted. Impacted programs are majors that receive more applicants than available spaces. You will automatically be considered in this alternate program should your first choice become unavailable. Certain campuses can also be impacted, and may require supplemental materials upon application. You can find out more about impacted majors and universities [here](https://www.csula.edu/admissions/impacted-majors).
- The number of applications you intend to submit and their fees are listed on the following page after you click “Continue.” Once all programs are chosen, click “Continue To My Application.”

**REMEMBER:** AB 540 requirements now also include attendance and degree(s) earned from CA adult schools and community colleges. To learn more, check the [AB 540 eligibility requirements](https://www.csula.edu/admissions/ab540). Those who meet AB 540 requirements are also eligible to receive state financial aid through the [CA Dream Act](https://www.csula.edu/admissions/cadream).

  - To be considered for an application fee waiver, dependent students must list a household size of more than one (if applicable).

**If one or more of the statements apply to you,** you are considered an independent student. Select the number of people in your household in 2022, including any dependent children, even if you don't live with them. Enter your adjusted gross income and any untaxed benefits and income for 2022.

- **Campus housing:** Indicate if you are interested in campus housing.
- **Parent/guardian education level:** Indicate your parents'/guardians' highest level of education completed. You may select "does not apply."
High Schools Attended

- **Graduation status**: Indicate if you have your high school diploma or equivalent. Enter the date you received or are expected to receive your diploma or GED.

Academic Information

Indicate if you attended high school/secondary school outside of the U.S. If yes, enter the academic performance and degree/diploma earned.

Colleges Attended

Find and add all the colleges you attended. You must list every college you have attended, are currently attending, or plan to attend before entering the CSU. Each college should be listed only once. Start with the most recent. Indicate the term system, dates of attendance, any degree obtained or plan to obtain, and your tuition status.

College Coursework

Enter any courses you took in college. You must list every course you have completed, are currently taking, or plan to complete before entering the CSU. You will first have to enter the term, year, academic standing, and completion status for each college. Then, find and add your course code. Indicate the grade earned for each class or if it’s planned (P) or in progress (IP). Be very careful filling out this section. It’s a good idea to get an unofficial transcript to use when filling out the application to ensure all information is accurate.

To report courses with two different completion statuses (i.e., In Progress/Planned and Completed) within the same term, select Interim from the Term drop-down. This ensures your completed courses are included in your GPA.

Standardized Tests

Select the standardized tests you’ve taken or plan to take. Enter the dates you took the exams and your scores.

- **AP (Advanced Placement), CLEP (College Level Examination Program), and IB (International Baccalaureate)**: Indicate if you’ve taken any AP, CLEP, or IB exams. Enter the dates you took them and your scores.
- **ACT and SAT test scores are no longer required, and will not be used for admissions purposes**. There is no longer a section to report these scores for transfer applicants.
- You may choose not to add any standardized tests.

General Education

Transfer students must show how they will complete their **General Education (GE) requirements** before they can transfer to a CSU. The four GE requirements are:

- (A1) public speaking course,
- (A2) freshman-level English composition course,
- (A3) critical thinking course, and
- (B4) math course above intermediate algebra

This page lets you select which courses you want to designate as your GE courses. Only 1 course per GE course is required.

- To qualify for admission as an ADT applicant or Upper Division Transfer, the four GE requirements listed must all be fulfilled with a grade of C or better.
SUPPORTING INFORMATION

Associate Degree for Transfer (ADT)

- If you select that you are transferring with an ADT, complete the additional information for ADT applicants. You may select an alternate campus and program if your first choice is unavailable.

Educational Opportunity Program (EOP)

EOP provides admission, academic, and financial support to first-generation and low-income students including those who are eligible for AB 540. Connecting with EOP can help you answer any questions you may have, build community, and learn about resources as a new student. Check with each campus about specific EOP services offered.

Indicate if you are currently enrolled in EOP&S and for which campus.

- Indicate if you are interested in applying to EOP. If yes, you will be asked if you were in EOP (if you have attended a CSU previously). You will also need to provide additional information about your educational program participation, your family, your parents' occupation and income, and completion of the CA Dream Act. You will also be given five short response questions to discuss your economic and academic background, your college aspirations, and your activities outside the classroom. You may return to these questions at a later time before you submit your application.

- EOP also requires that you submit two recommendations from any individual who can comment on your potential to succeed in college. You will be asked to submit this by creating an EOP Recommendation Request. Recommendations are due two weeks after each campus deadline. You must complete all EOP sections before submitting your applications to be considered for the upcoming term.

- You can also choose not to apply to EOP by clicking “No.” Note that students would only be able to apply through the Cal State Apply application before they are submitted.

NOTE: Each CSU campus has a dedicated program or staff to support undocumented students and transfer students. You do not need to do anything in your application to indicate your interest. The program or staff may reach out to you or you can contact them after you are admitted. It is a good idea to get connected to these programs to receive additional support at the campus.

PROGRAM MATERIALS

Add any requested program materials. If your program requires no materials, this section will appear as completed in your dashboard.

Submitting Your Application

- Be sure to review each section carefully and ensure that your information is accurate. You can ask your school counselor or Transfer Center for help in completing your application. All four sections of the application will show up as green if you completed all required fields. Be sure to visit the “Check Status” tab to ensure that you have successfully submitted your application.

- When you apply through Cal State Apply, you are automatically considered for an application fee waiver based on the information you provided. You must fully complete the application before the fee waiver eligibility is determined. To be considered for the fee waiver, you must be an undergraduate student, a California resident for one year, and a U.S. citizen or someone without lawful immigration status who qualifies for AB 540. Fee waivers may apply for up to four CSU campuses per application term (i.e. fall, spring).

- Payment: Cal State Apply charges $70 to apply to each program. When you are ready to submit your application, go to the Submit Application tab and click “Pay for My Programs.” Do not submit any payments before submitting your application. Payments can only be made in the application via electronic check, PayPal, pre-paid credit or debit card, or standard debit or credit card.
• After you submit your application, you will receive an email confirmation. Check your email regularly for updates. If a CSU campus requests additional information, be sure to respond promptly, and ask your school counselor or Transfer Center if you have any questions.

• As a transfer applicant, you will be asked to update your application with the grades you receive for any terms completed before you attend the CSU. Once you have received your grades, you can submit these updates from January 5 to February 1, 2024 if applying for Fall 2024 and June 1 to 30, 2024 if applying for Spring 2024.

REMEMBER: Undocumented students who will qualify for AB 540 can be considered for the fee waiver.
